

صلى الله عليك يا نور

May Allah send blessings Upon you, O Light!

صَلَّى اللهُ عَلَيْكَ يَا نُورَ
يَا نُورَ كُلِّ الْمَنَازِلِ

May Allah send blessings upon you, O Light! O Light of every station.

يَا رَسُولَ اللهِ أَنْتَ
أَنْتَ النُّورُ الْمُتَشَكِّلِ
نُورٌ عَلَى نُورٍ جِئْتَ
فِيكَ الْقُرْآنُ تَنَزَّلُ

O Messenger of Allah, you are the Light, you are light embodied.
You came as light upon light, the Qur'an came down regarding you.

مِشْكَاةٌ نُورًا وَ زَيْتًا
ضِيَاءٌ جِئْتَ مُعْتَدِلُ
لَا يَكُونُ الْكَوْنُ حَتَّى
يُظَهَرَ بِكَ مُتَجَمِّلُ

As lamp, light and oil you came, a tremendous light you came, perfectly balanced.
Existence cannot be until it manifests through you, beautified.

أَنْتَ فِي الْأَنْثَارِ قُلْتَ
ذَا الْكَوْنُ مِنْكَ تَمَثَّلُ
مِنْ حَضْرَةِ الْقُدْسِ جِئْتَ
وَ أَنْتَ فِيهَا لَمْ تَزَلْ

You said in narrations, that this existence took shape through you.
From the presence of absolutely sanctity you came, and you remain within it.

كُنْتَ قَبْلَ الْكَوْنِ كُنْتَ وَ الْأَبَدُ مِثْلُ الْأَزَلِ
مُطْلَقًا كُنْتَ فَصِرْتَ بِالْقِيُودِ مُتَجَمِّلِ

You existed before this universe, and the eternal future is just as the past.
Unlimited you were , and within forms your beauty manifested.

لَيْسَ فِي الْوُجُودِ الْبَتَّةَ إِلَّا النُّورُ قُلْتُ أَجَانُ
بَدَا مِنَ الْغَيْبِ بَعْتَهُ مِنْ أَعْلَى الْعُلَا تَنْزَلُ

“There is nothing but light in existence,” to which I say “of course.”
It appeared from the unseen suddenly, descended from the highest of heights.

يَا رَسُولَ اللَّهِ حُزِتَ فَضْلَ الْفَضْلِ وَ الْفَضَائِلِ
يَا رَسُولَ اللَّهِ دُمْتَ وَ دُمْتُ لَكَ مُمْتِنًا

O Messenger of Allah, you have attained all virtues and all praiseworthy traits.
O Messenger of Allah, may you remain, and may I remain at your service.

فَالْعَلَاوِي يَرْجُو حَتَّى يَبْلُغَ بِرِضَاكَ الْأَمَانَ
يَا رَسُولَ اللَّهِ أَنْتَ أَنْتَ النُّورُ الْمُتَشَكِّلِ

So Al-Alawi hopes such that he can attain through your pleasure, all of his hopes.
O Messenger of Allah, you are light embodied.
